

10. Archiving and Digitalization of Legislation and Record of Ministry of Law and Justice

The Project titled “Archiving and Digitalization of Legislation and Record of Ministry of Law and Justice” was approved at the cost of Rs. 135.933 million. The web-based software offers two main features: the Document Retrieval System (DRS) and the Library Management Information System (LMIS) to automate the housekeeping functions of a Reference & Library Branch such as Cataloging, Digitalization, Circulation and Acquisition. The project will be completed on 30th June 2025. The Project site can be accessed through the URL <https://lmis.molaw.gov.pk/>.
